What to think about during your time at Skills Scotland Edinburgh

Take a moment to:
Consider what questions you want to know the answers to.
Write your questions here:

Look at the exhibitor list and prioritise who you want to see first.
Write 3 exhibitors here:

Think about your future:
Will you stay on in school?
Will you follow an academic route by going to college or university?
Will you look for an apprenticeship or full time work?
Also think about doing some voluntary work, or even starting your own business alongside your studies.

What's it all about?
You are at the region's biggest careers, jobs, skills and apprenticeship event to discover what your future holds. You can try out new skills, talk to employers, find out about college courses, meet apprentices and get hands-on with activities, challenges and competitions.
This is your chance to get information about work, training and learning outside of school and college. Ask lots of questions and talk to all the people on the stands – they are here to help you find a job, sign up for college, get paid as an apprentice and give fair and balanced advice.
If you don't know what you want to do or which careers and industries you are interested in, make sure you try all the activities and find out about the opportunities available. It's your future, so let Skills Scotland Edinburgh help you decide.
