

Divisibility

For each of these nine numbers, circle the digits by which it is divisible (3, 6, 9).

1. 12

3	6	9
---	---	---

2. 27

3	6	9
---	---	---

3. 54

3	6	9
---	---	---

4. 39

3	6	9
---	---	---

5. 102

3	6	9
---	---	---

6. 84

3	6	9
---	---	---

7. 237

3	6	9
---	---	---

8. 132

3	6	9
---	---	---

9. 621

3	6	9
---	---	---

For each of these nine numbers, circle the digits by which it is divisible (2, 4, 8).

10. 16

2	4	8
---	---	---

11. 48

2	4	8
---	---	---

12. 44

2	4	8
---	---	---

13. 56

2	4	8
---	---	---

14. 70

2	4	8
---	---	---

15. 84

2	4	8
---	---	---

16. 126

2	4	8
---	---	---

17. 384

2	4	8
---	---	---

18. 272

2	4	8
---	---	---

I can work out whether numbers are divisible by 3, 6 or 9, and by 2, 4 or 8
